Rabbi Moshe Silver

In Memoriam

Rabbi Moshe Silver

Rabbi Moshe Silver, the beloved father of Dr. Abba Hillel Silver, has departed this life, blessed with fulness of years and verily "Eved Adonay," a faithful servant of the Lord.

He fulfilled completely the meaning of genuine spirituality, for "the law of truth was in his mouth and unrighteousness was not found in his life." He has sown seeds that will flourish in many hearts. He has helped to shape lives that will never lose the nobler imprint he has given them. He has kindled the torch of ideals that will never be wholly extinguished.

Lo omus Ki echye Va asper maase ya. He has not died. He lives to extol the works of God.

Resolved, Therefore, By the Board of Trustees of Temple Tifereth Israel, that this tribute to the distinguished father of a distinguished son be spread upon our permanent records and an engrossed copy transmitted to Dr. Silver.
