Rabbi Daniel Silver

The Temple

University Circle at Silver Park
Cleveland, Ohio 44106

Dear Rabbi Silver:

I thought I ought to write to you about our work because you may not be aware that it is a direct descendant of the work your father established in the American Zionist Emergency Council.

In those early years, I was associated with Dr. Silver as Director of the American Christian Palestine Committee, an effort sponsored by the Emergency Council. Our efforts through study tours to Israel, Institutes for Clergy, speakers for all kinds of platforms, and literature distribution sought to educate Christians to a favorable understanding of Israel.

With the serious cutback in the Zionist Council, our efforts were finally merged with the America-Israel Society and then the Society was merged with the America-Israel Cultural Foundation, as the Interfaith and University Committee. Under this auspices, the work continues - though often starved for adequate funds.

I thought we owed you this explanation. Naturally, we hope you will see fit to renew the \$100 contribution we have been receiving from the Abba Hillel Silver Charitable and Educational Fund for many years.

With kindest regards, I am

Cordially,

Rev. Karl Baehr, Director
Interfaith and University Committee
