Dear Dan:

Leon and I taped the Abba Hillel Silver memorial program Tuesday night. The professionals on the scene tell us that we did a good job.

You had asked about the acquisition of a videotape for a telecast in Cleveland and I relayed this to Edna Retting, who handles the radio and TV matters for the New York Board of Rabbis. She advises me that she has obtained clearance in principal from WOR-TV here. If you are interested in pursuing this, the procedure would be as follows:

a. You would first have to obtain the agreement of a Cleveland station to televise the videotape, as WOR-TV will release a tape only for use in another telecast, and not by any individual or organization.

b. Having obtained this commitment, WOR-TV would require advance payment of \$200 for the videotape.

If the above meets with your ideas on the matter, please communicate the information to:

Mrs. Edna Rettig
New York Board of Rabbis
10 East 73rd Street
New York, N. Y. 10021

Leon had expressed an interest similar to your own with respect to a telecast in Toledo, and I am therefore sending him a copy of this letter, since the procedure would be identical - unless you and he work out with the stations involved a coordinated schedule, enabling the videotape to be shipped from the Cleveland station to the Toledo station (or vice versa) in which case the \$200 fee would cover both. I leave it to Leon and yourself to work this out, if you wish.

Happy Hanukkah to you and the entire family.

Cordially,

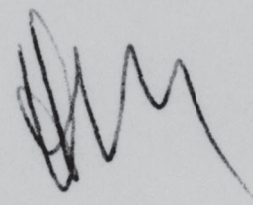

Harold P. Manson

Dear Dan,

As you know by now, Harold Manson and I taped a memorial program for your father which was telecast last Sunday under the auspices of the New York Board of Rabbis. I did not see it, but I did receive good reports about it.

I understand from Harold that you are interested in having the program shown in Cleveland, as I am in Toledo. Perhaps we can arrange something jointly. When you know something more definite, I would appreciate your getting in touch with me about it.

Kindest regards from house to house.

As ever

To: Rabbi Silver

Rabbi Leon Foyer called and spoke to me and asked if I knew anything about the video tape he had made in New York on the occasion of your father's tenth yahrzeit. Mr. Manson at the television station asked him to inform you that the tape will be erased if they don't hear from you by Friday, January 11th.

I told him that I didn't know anything about it at all, but I did agree to call New York and find out the details. Mrs. Rettig at the New York Board of Rabbis (Trafalgar 9-8415) told me that she will try to arrange to save the tape until Monday, January 14th.

A deposit has to be sent to Station WOR-TV for \$200.00, plus a guarantee that the tape will be shown on Cleveland television and that the tape will be returned to WOR-TV.
