What passes through a rabbi's mind at such an hour as this?

A 1000 memories of the great acts of Jewish discipline as we approach
an ancient festival and its contemporary meaning. I would be fortunate
if you & person could you have admitted to me and I entirely
on the subject matter among the unconquered the disciplined
and could be you. I expect good thing of some of you - and can
understand need of you.

I expect some of you will be with you - I can understand need of
you quite.

Oh! we have had enough, you have passed your unhappy &
I have shared a Golden's meeting. You have passed it, I have
passed. You have passed it, I have passed it out more and to
entirely well - but that is all part of growing up - you can
maintain it more - it is no way it can be kept in
home for your future.

As a public conference has among all people - a
special place in my heart. The value - the discipline - I must
think must become universal the in consequence of
time and place in every generation with it as an accepted law
of life and at conference conferred these privileges to live
by the building memory of challenges & questions. We must remember
on being an ancient festival - but yes it is not necessarily a process
of ritual or strength.

What does a rabbi think about all this on the radio?

I recall the many hours we have spent together on these days, we are an ancient faith and its principles & teachings. I think of the qualities of mind & person which you have exhibited before me and I anticipate happily the accomplishment and achievement which shall be yours. I expect great things of many of you - a spirit born of substance & worth of which you are. Oh, we have had our moments - I have loved & you have loved - I have glad & you have glad - I have failed & you have failed - but this is all part of learning - your learning & mine - and it is no easy circumstance the bright future & peace.

As a rabbi the Confession has a special ^{place} in my heart - The values I desire would be conveyed to a lifeline of spirit on every page we have met your heart, which every year we accept of our values as there are & they are the same as the future of our lives. Give it a meaning / Our ancient faith recorded REBIRT - RENEWAL be made new and it is not ^{any} ~~the~~ ^{renewal} ~~renewal~~ as you are a new generation like I to heart. I try to see judgment & I try to know that our old new way will not ^{remain} ~~remain~~ & can use it to bring dignity, justice, freedom, & peace to our world will not lead to death.

I know a part of my feeling - what of yours? What of the women whose melody flows in the heart of your mind & family?

Confession part of the quality of a generation. Yours to-day is the pride of accomplishment - a promised achievement has been mastered. If I do not mistake your like pleasure in a total small way. I know I do not mistake the pleasure of family & peace in the good circles of your growth, ability, & achievement.

remember how it ended - what the lesson repeated "Be There
Class" The morning you know you could & maybe and
you have my lesson and have & I can help you & I can
also understand you too, This is a real promise, Then -
say & pick in the middle of it & say & pick the lesson who
have you really wanted you make it.

The quality of your has been one most on and then associated with
the holiday - Shabbat is such a day was the festival of
the spirit himself - The body & mind never had been connected
separated - The future look at the memory of the present your
to be there in present as a the coming & going - up
the sense of Thanksgiving - he said the - happy night &
every morning - and, such the were possible in
the Bible itself 7:58:12 10:1:1 - & you shall
regard before the Lord, your God.

Like a candle added to the 7:58:12 of Thanksgiving the joy of
a holiday - Shabbat became the knowledge of God - broken
by man's sin and the Torah has been lost & not found -
On the 1st of Judaea began as a rejoicing & a miracle
just "The Exodus on my delight 'one to remember
is the sign of the God's love which had never been
for the enjoyment of all Redeemed children & was for
the enjoyment & rejoicing

To-day means an ~~important~~ ~~event~~ ~~in~~ ~~the~~ ~~life~~ ~~of~~ ~~the~~ ~~nation~~

series -

~~Guy~~ ~~James~~ ~~Clark~~ ~~De~~ ~~Went~~ ~~to~~ ~~see~~ ~~him~~ ~~7~~ ~~am~~ ~~reld~~

my god ~~is~~ ~~with~~ ~~me~~ ~~it~~.
