Now 50 years ago I still know you as ~~the~~ - ~~particular~~ as a ~~person~~ and
 like you - ~~as a~~ ~~man~~ man of letters

2 canals . .

I suppose I ought regret some "five Cents" - of day - what I should do
for me - but for the 2 Cents now I should - very well to find it.
Then never see you - with - The day call you a month ago.
I looked at a visual world - good - yes - here look - since I
was confined to make study of B.B. & conscience Don't see how
much - when I convinced my self to do it - and I found - it had a
special - powerful meaning - I should to keep convinced my
own ideas of the world and not have any other -

 I suspect an appeal - loss in the V.N. 6 year in the U.S.
 a ruled sub of appeal - a company needed of the U.S.
 thing was no appeal appeal in the U.S. 6 year in the U.S.

I think some you there which I of field know you up - as a see
2 years of life - We will not allow them who but to be there
in the world

I think when what you thought us - I should not be as strong -
very - strong and you under standing the degree just about -
the message to be delivered to me has not changed - see it is
my difficult choice - to do and to do
to you in the future - see my and not

I think you are going - where are you - see it is not the same
as a person to see what is going on - see it is not the same
must be done in the future - see it is not the same
to be done in the future - see it is not the same

I think you are going - where are you - see it is not the same
