Women's Association, Lecture Series 1971, notes for "What  
Makes Us Share the Hopes We Do?", 1971.

Hope is an essential to human life in everything, when ~~every~~  
time hope will become an super-natural - as may  
appear on the personality of certain people who  
make themselves clear - as they are not used

1) see an end to the war

2) hope to escape

3) believe a double world dying but meaning  
they could accept the transcendental condition - but when hope  
had become black / dark / powerless - when the spirit  
remained so did they.

We have to work out the human spirit - unintentional

but it can take the unintentional blame together  
again - the human spirit is strong - unintentionally as / but with  
unintentional - Every man is human but the boundary point

1) Sudden can take any of many things as action

2) Passion can take any of many things as action

3) The spirit can take any of many things as action unintentionally also  
as unintentional blame - unintentional blame it is to

means of fulfillment - no final ends

There is a point where we ourselves hope / are free  
spirit - unintentional blame it is almost unintentional

be unintentional - 1) of the Row

2) The meaning of broken day - 20 years

was being to tell of a year later  
and under 3 days standing "Tule"  
under the feet!

There is help

Religion does not help me when I am from ignorance, liberalism,  
but religion, morality - under in under my  
says that the hand of the religion is on a subject  
to examine, center in spirit - by religion and under

A MAN OF NO UNDERSTANDING HAS VAIN AND FALSE  
AND DREAMS THAT GIVE WINGS TO FEELS  
AS ONE WHO CATCHES AT A SHADOW AND PURSUES  
THE WIND, SO IS HE WHO GIVES NEED TO INTERPRET  
THE VISION OF DREAMS AND ILLUSION, IT IS DUCIT,  
THE LIKENESS OF A FACE CONFRONTING A FACE.

The death of Christ introduced hope into a world  
deceived by Satan's sin - & of the world as  
~~considered~~  
conquered, perhaps unconquerable - the will  
was or more so not

The modern secular religion - [Baptism] have no  
 but much <sup>affinity</sup> ~~homogeneity~~ a common a mission - especially  
 as a new mission - & have no fixed scripture part of  
rel. scripture - but there is now books a concentrated  
hope - the unmistakable form of denominational religion -  
 the length of the scripture books a factor will be -  
rel. scripture is a very part of the institutions.

Some of the new mission - the Movement - some  
 of scripture & mission - many of future - but

O LORD God of my SALVATION  
WHAT TIME I CRY IN THE NIGHT BEFORE THEE  
LET MY PRAYER COME BEFORE THEE

Jud. has I went before thee  
Lord salvation  
any centered degree of salvation - any more in my life!!  
possible to it I was only to be initiated - from your hand  
salvation - where salvation was to be found in the  
world on the earth - which is to say the one  
very NATURE OF CREATION "and build it was  
good - and centered more deep in the  
purpose - now so well I feel the  
point

you have just hope in the command - God's will & the promise  
and obedience must be rewarded -

If you are unhappy & obedient

you shall not be free of the land

The obedience of  
God

If you refuse & rebel

you shall be driven of the land

I First application - The promised land - it will be secure - if  
you will return to it, if - all the land of the promise  
will return to judah, if

may judah be driven

& shall be driven

& a redemption will be done

to prophets - can possibly hope!

→ I shall be renewed your life - see in revelation  
the new city will be built to come -  
the kingdom of god on earth will be the kingdom of god in heaven

II Second application - Paul -

1) man will be redeemed from his sin

"He will redeem Israel from all his iniquities

will be driven out of the land

1) man will be redeemed for his sin
