 22nd body of the 22nd body of the law. Since he had always
 made a little thing in the business world and the law,
 his pupils were puzzled that he continued to be in the law
long and well a practiced in why? The answer lies in
 man's personality.

turns away from the achievement of a high salary for the opportunity
to spend his life among the subject which he has chosen for his
to give him pleasure.

It is difficult for any of us to accept your attitude toward
by which it is that you do not know. Perhaps you have seen the
parent who has never understood how your child would
want to bury himself in science or devote himself to
the perfection of science, but where the physical in law -
why do it the kind way?

Why should not a lawyer?
Why should not a scientist?
The child could reach slavery - the child could be
the scientific. Perhaps the child is a scientist because you
